

# Child Safeguarding Week

2 – 8 September 2024

An annual campaign to promote individual, organisation and community action to prevent child abuse and neglect in Aotearoa.

## KEEPING KIDS SAFE ONLINE

**Child Safeguarding Week 2024** is placing the online safety and wellbeing of children in the spotlight. Kiwi kids are doing amazing things with technology but there are risks to be aware of when they are on the internet. This years campaign will help you keep them safe and allow them to continue using this incredible resource with confidence.
