ONLINE LANGUAGE: A guide for parents

The swift and extensive distribution of information through social media has led to the rapid evolution of language. The language children and young people are using is constantly changing. We've compiled several terms that might be unfamiliar to you. Having a grasp of these and understanding the context in which they are being used can help parents support children to safely navigate some of the greyer aspects of the online world.

CAUTION: These terms may have become outdated by the time you read them!

General

AF	As f**k	GB	Goodbye
AFAIK	As far as I know	GLHF	Good luck, have fun
